Pannello orientabile con imbottitura interna in poliestere a **densità variabile** Snowsound® Technology. Rivestimento esterno in tessuto di poliestere Trevira CS®. Completo di piastra in metallo cromato per fissaggio a parete.

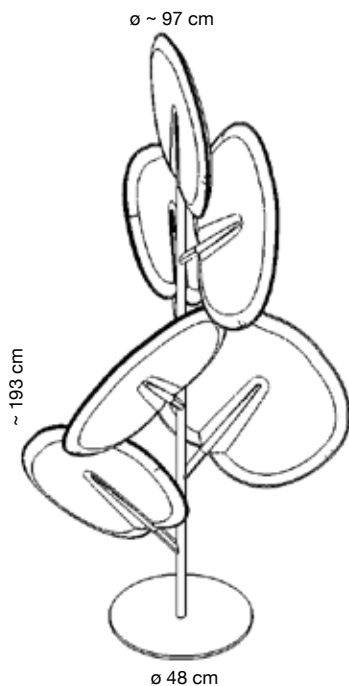

Adjustable panel with polyester internal padding with Snowsound® Technology **variable density**. Polyester covering in Trevira CS® fabric. Equipped with chrome-plated metal plate for wall fixing.

Panneau orientable avec rembourrage interne en polyester à **densité variable** Snowsound® Technology. Revêtement externe en tissu de polyester Trevira CS®. Fourni avec plaque métallique chromé pour montage mural.

Panel orientable con acolchado interior de poliéster de **densidad variable** Snowsound® Technology. Revestimiento exterior en tejido de poliéster Trevira CS®. Completo de placa metálica cromada para montaje en pared.

Verstellbares Akustikpaneel, innen mit Polyester in **unterschiedlicher Dichte** unter Verwendung der Snowsound®-Technologie gepolstert. Oberfläche aus Polyesterstoff Trevira CS®. Komplett mit verchromter Metalplatte für die Wandmontage.

Struttura in metallo cromato con base in acciaio verniciato con polveri epossidiche completo di 6 pannelli orientabili con imbottitura interna in poliestere a **densità variabile** Snowsound® Technology. Rivestimento esterno in tessuto di poliestere Trevira CS®.

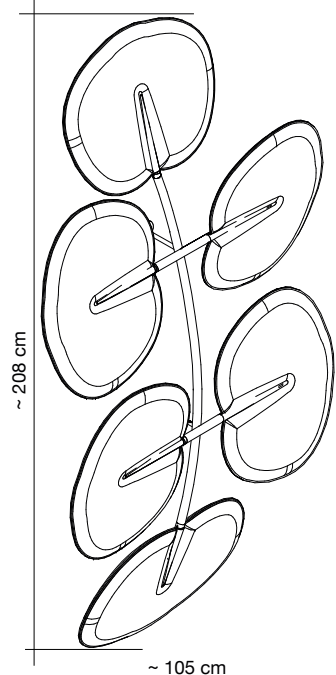

Structure in chrome-plated metal with powder-coated steel base with 6 adjustable panels with polyester internal padding with Snowsound® Technology **variable density**. Polyester covering in Trevira CS® fabric.

Structure en metal chromé avec base en acier peint avec 6 panneaux orientables avec rembourrage interne en polyester à **densité variable** Snowsound® Technology. Revêtement externe en tissu de polyester Trevira CS®.

Estructura de metal cromado con base de acero recubierto epoxi con 6 panels orientables con acolchado interior de poliéster de **densidad variable** Snowsound® Technology. Revestimiento exterior en tejido de poliéster Trevira CS®.

Standssäule aus verchromtem Metal mit Standfuß aus pulverbeschichtetem Stahl, mit 6 verstellbare Akustikpaneel, innen mit Polyester in **unterschiedlicher Dichte** unter Verwendung der Snowsound®-Technologie gepolstert. Oberfläche aus Polyesterstoff Trevira CS®.
